Enter the password "Tuckahoe2025"
and join the network

12:46 5G

✕ ✓

Join "Tuckahoe ALS"
Enter the password to join this Wi-Fi network.

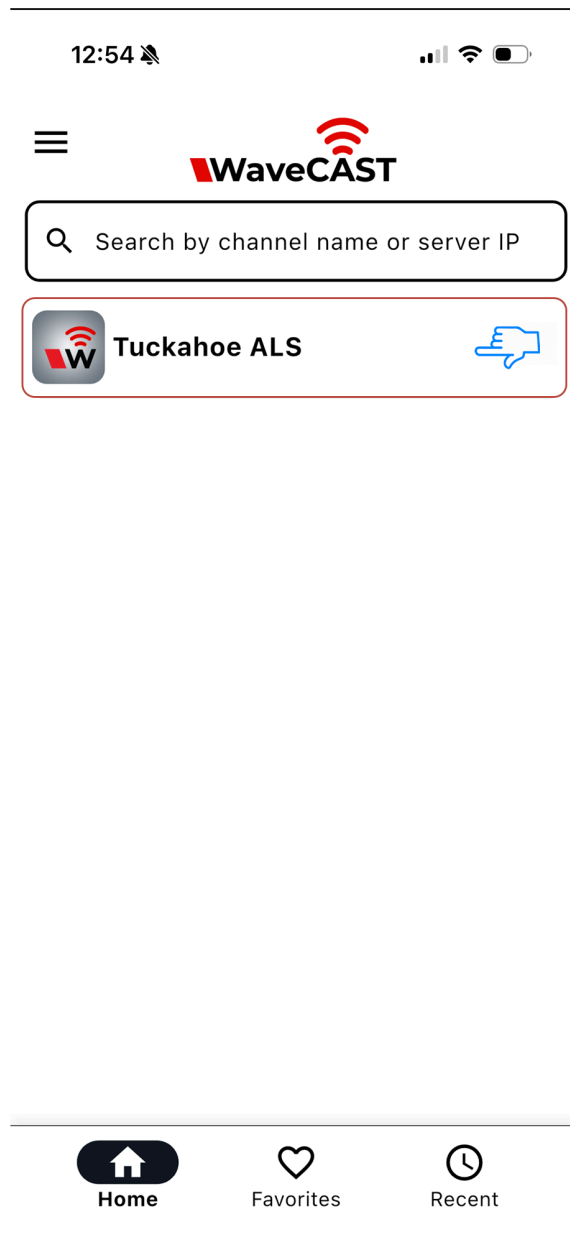

Password Tuckahoe2025 

You can also access this Wi-Fi network by bringing your iPhone near any iPhone, iPad, or Mac which has connected to this network and has you in their contacts.

Step 4

Open WaveCAST

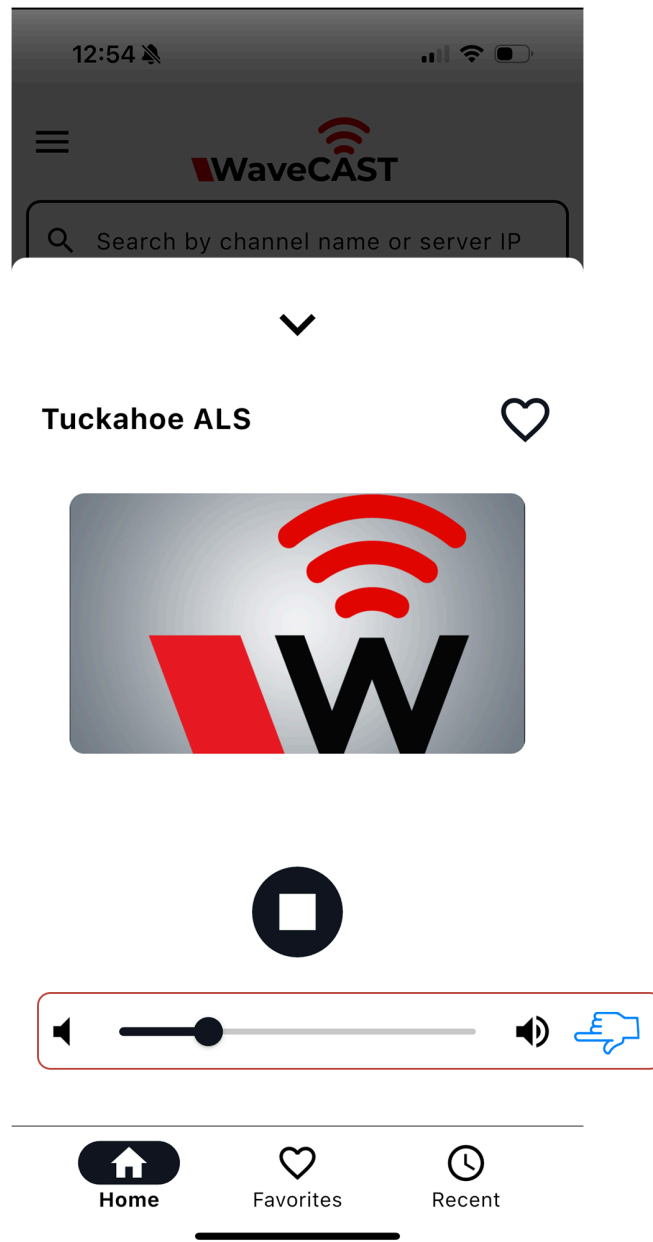

The app will automatically search for and display available audio channels

Step 5

Adjust Volume

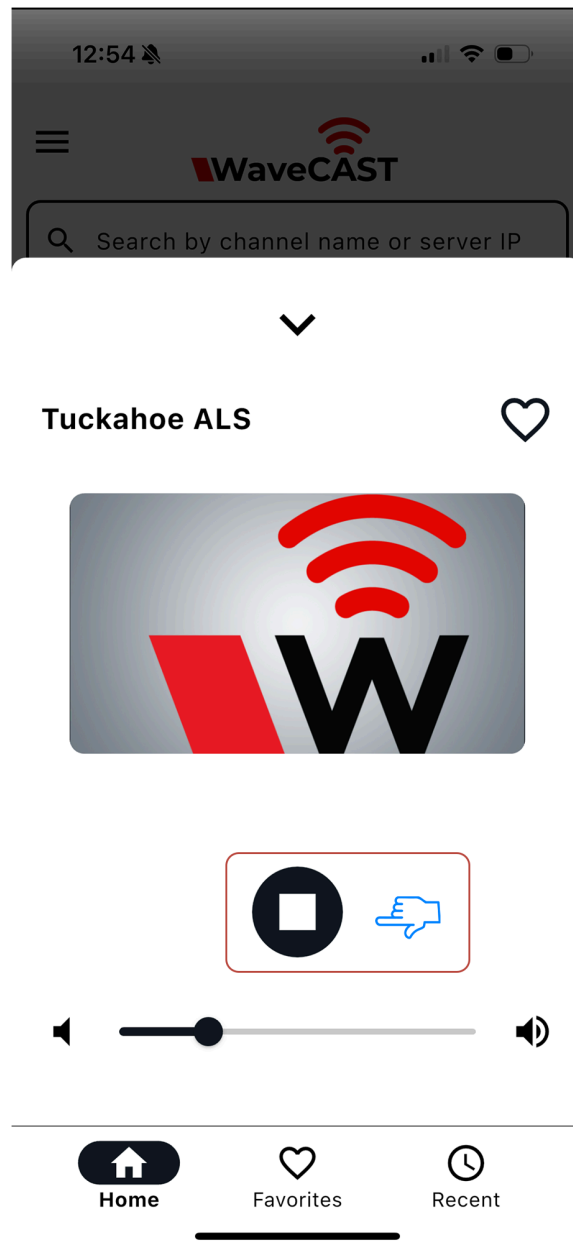

Adjust the volume within the app
or with your device's volume buttons

Step 6

Turn off Audio Cast

Press the square "STOP" button
and close out of the app

Troubleshooting

- If you are unable to find the network, ensure Wi-Fi is turned on
- If no channels appear, make sure you're connected to "TuckahoeALS" and reopen the WaveCAST app
- For best performance, stay seated within a good Wi-Fi signal range
- For the best experience, use headphones Bluetooth hearing aids, or earbuds
